ACTING SCHOOL

Acting Classes from CCBC/Community College of Baltimore County, Honors Student

Acting for the Camera - Developing the ability to perform in the unique milieu of acting before the camera in studio and on location. Intense training within the technical and performance demands of film, television, video production and other media.

Principles of Acting - Introduction to the basic skills on the actor's inner and outer resources. The theory and technique of action, voice, sensory and emotional recall, motivation and characterization are developed. Fundamentals are exhibited in performance through solo work and acting etudes, improvisation and dialogue scenes.
